Why would a university want to partner with CSRU?

IOWA STATE UNIVERSITY
OF SCIENCE AND TECHNOLOGY

- Meeting their mission
- Conduct valuable research
- Provide research-driven trainings and outreach
- Provide students with career readiness experience

- Staff training
- Access to Research
- Outreach

2018-19 School Visits

- Presented in 126 Class periods
- 1,861 students surveyed (7th-12th grades)
- Traveled 9,542 miles

Individual Level » Drug or alcohol abuse » Teen parenting » Single parenting » Lack of education or job training » Stress about money » Spending a lot of time alone » Health problems » Lack of motivation at school » Exposure to violence » Moved Often	Relationship Level » Father absent and/or no legal father » Parent works long hours » Negative peer influence	Individual Level » Stable source of income » Having health care » Sense of optimism » Trying hard at school	Relationship Level » Involved father » Ongoing involvement with parents and/or other adults » Effective co-parenting » Feeling connected at school » Role model or mentor » Positive family communication » Supportive partner » Positive peer influence/interaction » Involvement in activities/sports » Positive school environment

Module 10:

Child Support

1. Explain what child support payments can be used for when caring for a child

2. Describe two considerations when making purchases using child support payments

Acceptable

Unacceptable

Christmas Presents
 Summer Camp Registration
 Netflix
 Daycare
 Make up
 New cell phone
 \$\$ for football game
 Instrument Rental
 Haircut
 Piano Lessons
 Boy Scout Fees
 School Lunch fees

What costs are acceptable to pay for with child support money?

E-SURVEYS

- Where do they get their information about this topic?
- Knowledge of topic before and after presentation
- Demographic information such as:
 - ✓ Grade
 - ✓ Gender
 - ✓ Teen Parent? Race
 - ✓ Relationship Status

Research

PRESSURE'S ON: STUDENT ENGAGEMENT WITH A GRAPHIC NOVELLA
HDFS RESEARCH SYMPOSIUM 2019

Comprehension
 Students were able to demonstrate understanding of the graphic novella's narrative and character development

Themes
 After reading the graphic novella students identified several themes, including peer pressure, healthy relationships and decision-making.

Relatability
 Students stated that they found the characters and their lives relatable. However, they also noted that they received some peer judgment for being seen with the graphic novel

Modality
 After being assigned the graphic novella, students were surprised by their enjoyment reading it, though they stated they would not have volunteered to read it given the cover and title.
